**Why not let us do the hard work?**

Our project specification service is FREE to all of our customers. All you need to do is choose the style of ironmongery you are interested in, give us the plans for your project and we'll do the rest. All ironmongery is chosen to match your specification and budgetary requirements. Our trained staff will ensure that all hardware is compatible to save you time installing. All hardware is specified according to current legislation, i.e. DDA.
