Prices correct at time of print, please see website for latest prices and deals.

# ABOUT AC LEIGH

AC Leigh is one of the UK's leading Architectural Ironmongers, locksmiths and security installation companies with over 50 experienced staff. We have specified and supplied ironmongery, master key systems and access control to projects throughout the UK from branches across East Anglia.

AC Leigh is a specialist company with an in depth knowledge of products and standards and has been built on providing the right product at the right price, we know that the service we provide is as important as the quality of the products we specify. To assist with the correct specification of architectural ironmongery, locks, access control, anti-ligature and British Standard compliance we have representatives who are able to visit your office, provide a full specification, provide samples and visit site during the construction phase.

Our branches have both internal and external sales staff who are there to help solve any ironmongery, lock or access control related problems you may have. Our branch network can support projects of any size across the UK and to ensure we maintain our expertise and up to date knowledge we are members of The Guild of Architectural Ironmongers(GAI), The Master Locksmiths Association (MLA) and the Automatic Door Suppliers (ADSA).

# EXIDOR

Panic hardware is perfect as a means of escape in an emergency, especially when users are unfamiliar with their route. This can be achieved through a variety of products such as panic push bars and panic touch bars.

Pages 49 - 51 | [www.acleigh.co.uk/exidor-panic](http://www.acleigh.co.uk/exidor-panic)

This Photoluminescent fire exit signage made from a high quality 1mm rigid plastic material.

- Green Finish
- Photoluminescent
- Includes Fixings
- Meets all of the British safety standards and legislations

Please read the product terms and conditions carefully as they set out the terms under which AC Leigh makes the products available to you ("Product Terms").

## Prices

The prices payable for the items that you order are clearly set out in the web site. All prices are expressed as both exclusive and inclusive of VAT at the current rate.

## Availability

If for any reason beyond reasonable control, we are unable to supply a particular item, we will notify you as soon as possible.

## Acceptance

There will be no contract of any kind between you and us unless and until we actually dispatch the goods to you. At any point up until then, we may decline to supply the goods to you without giving any reason. At the moment that the goods are dispatched (and not before), a contract will be made between you and us.

## Delivery

Delivery will be made to the address specified by you at the time of ordering. You should check the order details on the email confirmations and advise immediately of any changes. Please note that we can only deliver products. All deliveries will be made to you by courier. We do best to secure delivery within the period quoted but shall not be liable for loss occasioned by delay in delivery or arising out of any cause beyond control. Additional delivery options are available but AC Leigh take no responsibility should deliveries not arrive with you by the time requested, you will of course be entitled to a refund on the additional delivery charge paid.

## Money back guarantee

We are so confident of the quality of products that if any item does not meet your expectations you may return it for whatever reason within 14 days. All we ask is that returns arrive in unused, perfect condition, with the original packaging still intact. Customers must obtain proof of return from their carrier. Any returns after 14 days are at discretion and a 25% restocking fee will be charged. No returns will be accepted after 30 days. Customers must meet the cost of return carriage on correctly supplied goods. This does not affect your statutory rights.

The Distance Selling Regulations do not apply to business to business sales, also excluded are special orders for products that are not shown on website. Business customers have 5 days to return an item as not required providing it is unopened.

The following items are not eligible for return: products with security seals that have been opened, electronic software downloads and opened software.

## Faulty Goods

All the products AC Leigh supply are rigorously quality checked before dispatch but in the unlikely event that you experience any problems, or your product is faulty, login to your account and log a return with us or call customer service team. This does not affect your statutory rights.

## Payment

You can pay online with all major credit and debit cards. Your payment card details are encrypted to minimise the possibility of unauthorised access or disclosure. Authority for payment must be given at the time of order. You will be charged for items at the point of order. Liability to you in connection with any order will not exceed the total price charged for the relevant items.

## General

These Product Terms shall be governed by and construed in accordance with the laws of England and Wales and any disputes will be decided only by the English courts. If any of these Product Terms is held by any court of competent authority to be unlawful, invalid or unenforceable, in whole or in part, this will not affect the validity of the remaining Product Terms which will continue to be valid and enforceable to the fullest extent permitted by law.
