

AC LEIGH

ARCHITECTURAL IRONMONGERS
SECURITY SPECIALISTS

NO MORE KEYS!

If you have a modern building, you deserve the most modern locking system available!

Salto from AC Leigh has been the market leader for over 10 years.

Control your own system and benefit from increased security, flexibility, control and reduced costs and maintenance.

- The most advanced electronic battery powered locking system on the market
- The range includes handles, cylinders, wall readers, lockers, padlocks, panic bars and energy savers
- Will also control lifts, gates and barriers
- Full automatic lock/unlock feature, lock or unlock doors at preset times of your choosing
- Mifare proximity for total flexibility and synchronisation with other standard uk software
- Operated by cards, fobs or wristbands
- Read/write network technology ensures the system is kept up to date
- Full user audit trail gives managers constant information
- Free software updates
- Free training and commissioning for new systems
- Simple to upgrade existing key or conventional access control systems
